

IRPA

International Radiation Protection Association

Richard Toohey, Treasurer

Dick Toohey received his Ph.D. in physics from the University of Cincinnati and spent the first part of his career at Argonne National Laboratory in both research and operational health physics. He is retired from Oak Ridge Associated Universities, and is currently a senior health physics consultant with M. H. Chew & Associates. He is certified in comprehensive practice by the American Board of Health Physics, a Past-President of the Health Physics Society, a member of the National Council on Radiation Protection and Measurements, Treasurer of the International Radiation Protection Association, and Chair of the Science Advisory Committee for the U.S. Transuranium and Uranium Registries. His specialties are internal radiation dosimetry, dose reconstruction, and radiological emergency response. Dick has 140 publications in the open literature, and is a retired Lt. Col., US Army Reserve.
