

NSFS Conference Reykjavík 22-25 August 2011

Current Challenges in Radiation Protection

The next meeting of the Nordic Society for Radiation Protection (**NSFS**) will take place on **August 22nd–25th** in Reykjavík, Iceland. Key lectures will address current **challenges** in radiation protection and the **opportunities** they present.

Call for papers

You are invited to **submit** an **abstract** on any topic within the broad field of radiation protection for presentation as a poster or as a 15 minute talk. Submit through our **webpage**, below. The conference language will be **English** and all accepted papers will be **published** electronically.

Conference fee

- NSFS members: **250 EUR** (325 EUR after April 1st.)
- Others: **500 EUR**
- Accompanying persons: **150 EUR** (200 EUR after April 1st.)

Includes lunches, all-day coffee, a conference dinner and a get together.

Young NSFS members

Financial support to cover travel costs and conference fee will be available to **several** young NSFS members. An **Award** will be given to the best paper from a **young** (<35 y.o.) presenter. **Apply** for the **grant** and/or register to **participate** in the **contest** on the registration form on the conference webpage.

Calendar

March 1st - Deadline for submission of abstracts

March 15th - Notification of acceptance

April 1st - Early registration and conference fee

August 20th - Final version of paper for electronic proceedings

August 20th - Reykjavík Marathon and Culture Festival

August 21st - Registration and get-together

Registration

The organisers **strongly** advice **early** registration and **hotel booking**, as August is a very **busy** month in Reykjavik with the Reykjavik Marathon and Culture Festival August 20th. For more detailed **information**, **abstract** submission, **support** application, **registration**, and **accommodation** booking, or to contact the organisers, visit the conference webpage at:

www.yourhost.is/NSFS-2011/
