

# ALARA

## in Emergency Exposures Situations

**17th WORKSHOP OF THE EUROPEAN ALARA  
NETWORK**

*[organized with NERIS]*

The next workshop of the European ALARA Network will deal with the challenges posed by the application of the ALARA principle in emergency exposures situations. It is organized jointly with [NERIS platform](#).

The workshop will be held from 15 to 17 May 2017 at *Instituto Superior Technico*, Bobadela, near Lisbon, Portugal.

- If you are interested and wish for more information, please have a look here at the [EAN website](#) ;
- If you are **really** interested, please go to the [registration website](#) !

Please note that NERIS will held its 3rd workshop at the same location from 17 to 19 May (same registration website).

Looking forward to meet you there.

The Programme Committee

**MAY 2017**

**15-  
17**

**[REGISTER](#)**

European ALARA Network is a non-profit organization gathering European-wide members with interest in the application of the ALARA principle in various fields.
