

## **INVITATION**

### **Stakeholder Dialogue Webinar: Experience and Lessons for Young and Old Experts and Researchers**

The OECD Nuclear Energy Agency is delighted to invite you to the Stakeholder Dialogue Webinar: Experience and Lessons for Young and Old Experts and Researchers Webinar 2016, jointly organised with the International Radiological Protection Association (IRPA).

The webinar will include three sessions: (1) a session on Radiological Protection at the Service of Society: An Overview of Stakeholder Involvement; (2) a session on Experience with Stakeholder Dialogue in Complex Radiological Protection Situations; and (3) a session on The Use of Social Networks and Social Media to Assist in Developing Interactions with Stakeholders, and to Facilitate the Implementation of Protective Actions.

#### **Webinar programme**

You will find the agenda herewith as well as the registration and connection test information for attendees and the webinar technical guidelines.

#### **How to register**

After registration you will receive an invitation telling you how to access the webinar and to test the system beforehand. On the day of the webinar, click on the link in the registration confirmation email.

---
